YOUR TRIP, DAY BY DAY

Malaysia Highlights

Kuala Lumpur | Genting | Langkawi options | Illustrative itinerary to customise around your travel dates and preferences.

DAY 01**Arrive in Malaysia**

Arrive in Kuala Lumpur or your selected gateway, meet your confirmed transfer if included, and check in. Keep the first day light so you can settle in, explore nearby food options and adjust to the local pace.

DAY 02**Kuala Lumpur highlights**

Discover the city skyline and key neighbourhoods. Depending on your interests, the day could include the KLCC area, city viewpoints, cultural quarters or local markets. Attraction tickets and guided tours are included only when itemised in your quote.

DAY 03**Highland escape or city discovery**

Choose a day excursion such as Genting Highlands if it fits your package, or remain in the city for shopping, cafés and local food. Confirm transport, cable-car tickets and attraction access in advance, as these can vary by date.

Planning tip

Allow for local traffic, check-in times and opening hours. Activities and transfers shown here are suggestions unless they appear in your written quotation.

DAY 05**Leisure and optional activities**

Enjoy a flexible day for beaches, shopping, family attractions or a guided excursion. Ask for a pace that leaves room for meals and rest, especially when travelling with children. Optional experiences may carry additional charges.
